

英検 1 級ライティング問題 分析

TOPIC [2021 年度第 1 回]

Are economic sanctions a useful foreign-policy tool?

Key Points

1. Economic sanctions can avert bloodshed of innocent civilians.

(経済制裁は、一般人の流血の惨事を避ける。)

i.e. UN economic sanctions against south Africa for abolishing apartheid

2. Economic sanctions can weaken the national strength of the target countries.

(経済制裁は、国力を弱め、結果として攻撃力を弱める。)

i.e. Lockerbie bombing (Pam Am Flight 103)

3. Economic sanctions can maximize the pressure on the leaders of the target countries while minimizing the suffering of average citizens.

(経済制裁は、指導者への圧力を最大限にし、市民の苦しみを最小限にする。)

i.e. Disintegration of Qaddafi administration

キーワード : 1. averting bloodshed of innocent civilians

2. diluting aggression by weakening national strength
