

英検 1 級 2 次試験 分析

TOPIC④ [2022 年度第 3 回]

Should capital punishment be globally abolished?

Key Points

1. Capital punishment carries the risk of executing innocent people.
(死刑は無実の人に執行される危険性がある。)
2. Capital punishment violates the right to life, one of the fundamental human rights that all human beings including vicious criminals are entitled to.
(死刑は、生存権－凶悪犯罪者を含むすべての人間に与えられる基本的人権のひとつ－を侵害している。)
3. The death penalty deprives criminals of a chance to reform themselves and compensate for the crimes they have committed.
(死刑は犯罪者からの更生と罪の償いの機会を奪う。)

フレーズ化 : 1. the risk of misexecution

2. a blatant violation of fundamental human rights

3. loss of chance for criminals' rehabilitation
